You do not have to have competition experience to attend, the camp's focus is on improving your horsemanship skills as well as riding. We welcome all riders, not just eventers.

We have a total of 5 instructors at the camp, which include David, Karen, and three of our journeymen, all of which are international CCI****-level riders. We also have numerous top level grooms to assist with the horsemanship and to answer any questions about stable management and horse care.
